Romans 5:17-21

*17 For the sin of this one man, Adam, caused death to rule over many. But even greater is God's wonderful grace and his gift of righteousness, for all who receive it will live in triumph over sin and death through this one man, Jesus Christ.*

*18 Yes, Adam's one sin brings condemnation for everyone, but Christ's one act of righteousness brings a right relationship with God and new life for everyone. 19 Because one person disobeyed God, many became sinners. But because one other person obeyed God, many will be made righteous.*

*20 God's law was given so that all people could see how sinful they were. But as people sinned more and more, God's wonderful grace became more abundant. 21 So just as sin ruled over all people and brought them to death, now God's wonderful grace rules instead, giving us right standing with God and resulting in eternal life through Jesus Christ our Lord.*
