C                    F                    C  
O holy night! The stars are brightly shining;  
   G                    C  
It is the night of our dear Savior's birth.  
   F                    C  
Long lay the world in sin and error pining,  
   Em                    B7                    Em  
Till He appeared and the soul felt its worth.  
   G                    C  
A thrill of hope the weary world rejoices,  
   G                    C  
For yonder breaks, a new and glorious morn.  
   Am                    Em                    Dm                    Am  
Fall on your knees, Oh hear the angel voices!  
   C G                    C                    F                    C                    G7                    C  
O night, divine! O night when Christ was born!

C                    F                    C  
Truly He taught us to love one another,  
   G                    C  
His law is love, and His gospel is peace.  
   F                    C  
Chains shall He break for the slave is our brother,  
   Em                    B7                    Em  
And in His name all oppression shall cease.  
   G                    C  
Sweet hymns of joy in grateful chorus raise we,  
   G                    C  
Let all within us praise His holy name.  
   Am                    Em                    Dm                    Am  
Christ is the Lord! Oh, praise His name forever!  
   C G                    C                    F                    C                    G7                    C  
His pow'r and glory ever more proclaim!  
   Am                    Em                    Dm                    Am  
Fall on your knees, Oh hear the angel voices!  
   C G                    C                    F                    C                    G7                    C  
O night, divine! O night when Christ was born!  
   G                    G7                    C                    Dm7                    C                    G                    C  
O night, divine! O night O night, divine!
